Message from Principal

"Everyone can rise above their circumstances And achieve success if they are dedicated and Passionate about what they do. "Mother Teresa"

Dear parents,

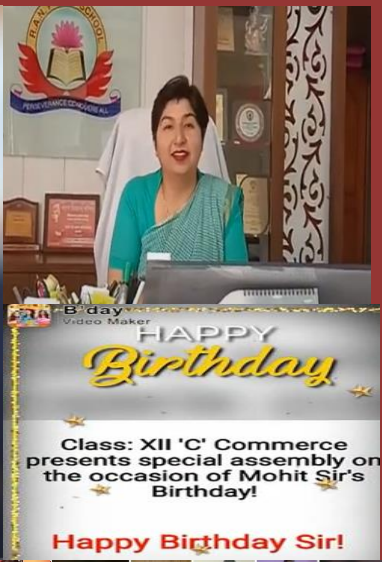

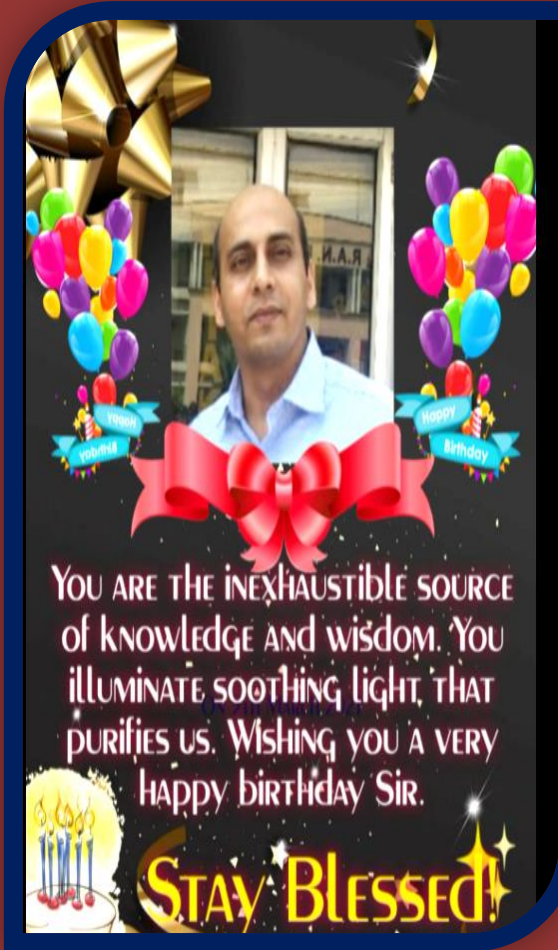

The first month of the current academic session has passed virtually. It was a month for all of us to get acquainted with the new class. A new start was so exciting liberating and rewarding for the students. It's rightly said "Real changes take place in deep crisis." The pandemic has provided a massive insight on technology as to what human development and learning look like, allowing it to potentially shift from just content dissemination to augmenting relationships with teachers, personalization and Independence. The continuity and integration of learning is vital to our goal of imparting quality education to our children. While our school has to be closed due to outbreak of covid-19, the teachers are committed to provide quality teaching and learning outcomes by preparing students, to shape the world around them through technology. The live interactions and discussions help them to learn and understand the concepts been taught.

Though it is a period of pandemic, where the doors of all Institutions are closed and all are confined to their homes, yet our school is focusing not only on quality education but on co curricular activities also virtually, like virtual class assemblies, quiz competitions, weekly activities on creative writing, sketch making competition, online P.t.m etc. The technology lends a hand in connecting students and teachers on the same platform. The students are using zoom cloud app a safe platform for online classroom to interact with the teachers under parental guidance. The myriad of activities which can be experimented through the easily available materials keeping the children out of stress and anxiety during this lockdown. During this circumstance our children need love, kindness and strength so that they feel sheltered and confident with themselves. The situation itself impelled us to focus on Children and spend quality time with them. As per the advisory of Government and medical fraternity, wearing face mask and regular washing hands must be our dictum during these times and we must adhere to it without any deviation.

Stay home, stay safe

Mohit Sir's Birthday (24TH APRIL)

IMMENSE CONTRIBUTIONS TO R.A.N. ABOVE ALL A GOOD HUMAN BEING

POEM ON CORONAVIRUS

*We may be young or old,
But we must be bold,
Against the enemy untold.
We can't go to malls,
Nor can we go to waterfalls,
Because the virus is a - scaring,
Sending our spines into our shivering.
If you have to get out, think twice,
Wear your mask wise.
After coming home, sanitize,
And wash your hands, thrice.
COVID - 19 is the name,
It is playing hide - and - seek game.
By following the rules, we can ensure
endgame.*

DIGITAL ASSEMBLY ON WORLD HEALTH DAY (7 APRIL)

"THE SCHOOL "

Po! Po!! The bus honks,
 Children in a row,
 Thrilled and happy,
 To go... go... go....
 School is exciting,
 Knowledgeable and fun,
 Playing in the ground,
 Enjoying the hot sun...
 Sharing lunch with friends,
 And cracking the jokes,
 But when the bell says ton,
 All go back to home...

Run! Run!! Run!!!

ONLINE ORIENTATION PROGRAMME (6 APRIL)

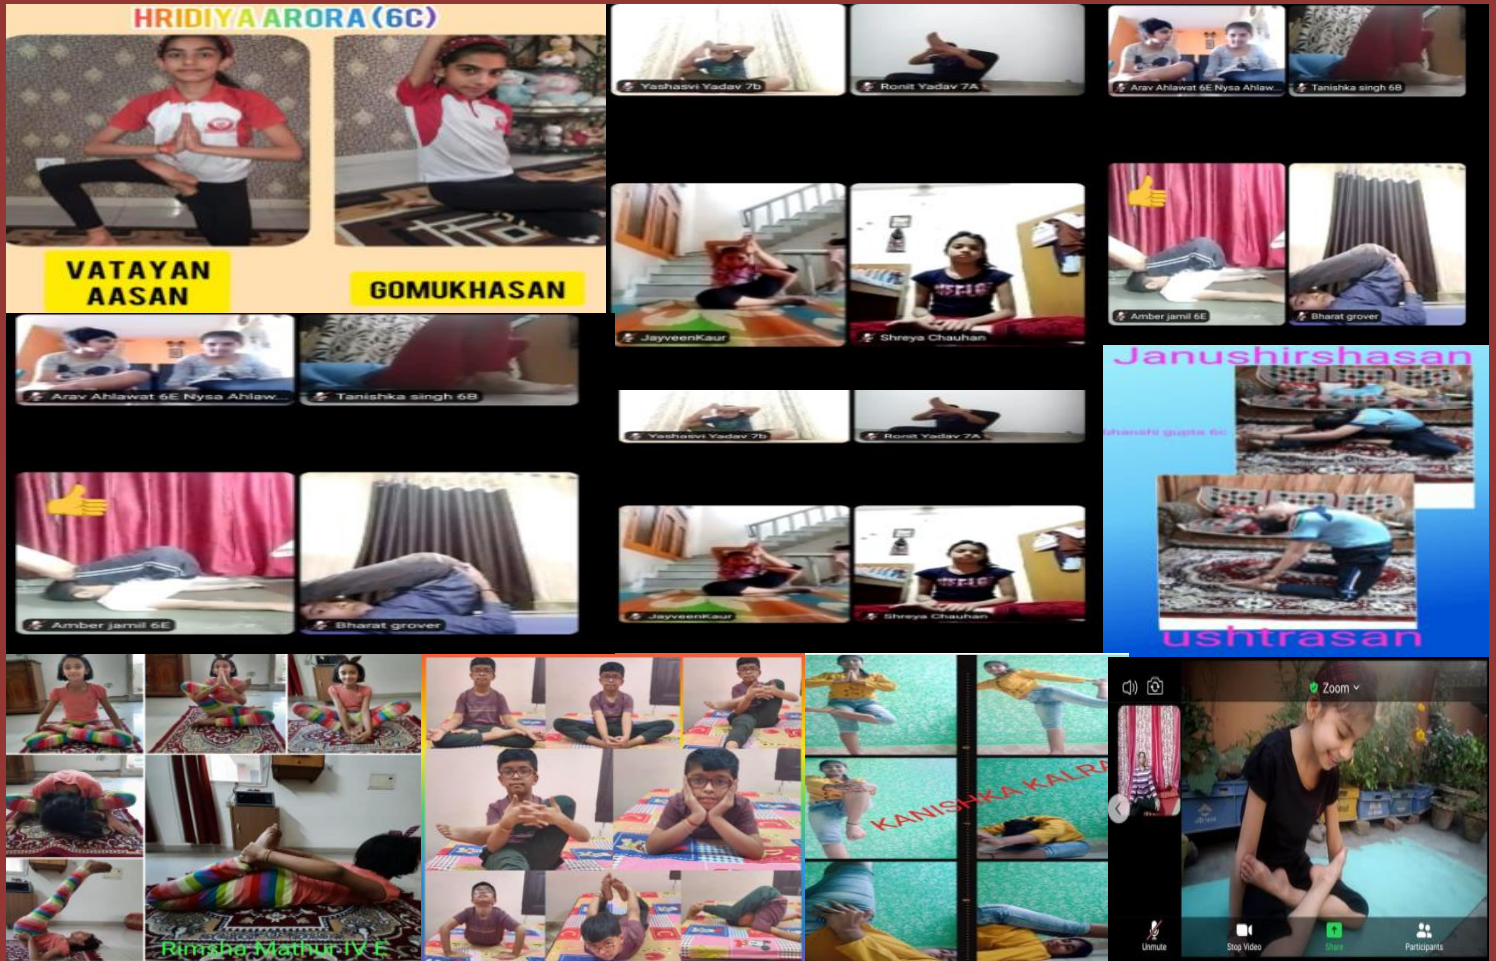

DIGITAL ASSEMBLY ON "WORLD BOOK DAY" (23 APRIL)

कल एक झलक ज़िंदगी को देखा,
 वो राहों पे मेरी गुनगुना रही थी,
 फिर ढूँढा उसे इधर उधर
 वो आँख मिचौली कर मुस्कुरा रही थी,
 एक अरसे के बाद आया मुझे करार,
 वो सहला के मुझे सुला रही थी,
 हम दोनों क्यूँ खफ़ा हैं एक दूसरे से
 मैं उसे और वो मुझे समझा रही थी,
 मैंने पूछ लिया- क्यों इतना दर्द दिया
 कमबख्त तूने,
 वो हँसी और बोली- मैं ज़िंदगी हूँ
 तुझे जीना सिखा रही थी

ASSEMBLY ON AMBEDKAR JAYANTI & BSAIKHI(13 APRIL)

ILLUMINATION BEYOND DARKNESS

Our planet Earth is surrounded by darkness and gloom,
Flowers of Joy and Happiness dinot bloom,
Moments of Delightment seem to be lost,
But noone is ready to pay the cost.

Covid-19 and Quarantine is a dreadful combination,
But the loss brought by it is beyond our imagination,
Italy India USA Germany and the rest of the world is crying,
But we need to prevent our mother Earth from dying.

For the tear that drops from the Eye,
Our planet Earth is full of pain and sigh.
Remember the darkness leads to an illumination,
Which will help us build a strong foundation.

To bounce back from this Adversity,
We need to stand strong and do not pity,
We need to stay United and strong,
So that we can fight for our freedom all along.

Positive energy and thoughts along with some trust and belief,
Are the only few sources that will lead to some relief.
To fight through this all and be successful,
Positivity is the weapon we need to pull.

Worships and Prayers will never be a waste,
As the shine will come back to us in a haste.

The situation might worsen as the History says it can,
But we need to stand together with a plan.

Stars will twinkle and moonlight will shine,
But trust me one day it will all be fine.

Trials will be swept away,
And the world will welcome life Finally with a new ray.

YOUR BEST

If you always try your best, then you'll never have to wonder, about what you could have done, if you'd summoned all your thunder....

And if you're best Was not as good As you hoped it would be, You still could say, "I gave today All that I had in me..."

NAVRATRI – A SYMBOL OF POSITIVENESS (21 APRIL)

FIRELESS COOKING ACTIVITY (30 APRIL)

A LETTER TO MY YOUNGER SELF

DEAR ME,
 YES, I AM TALKING TO YOU , YOU SILLY LITTLE GIRL! I AM YOUR 14 YEAR OLD SELF. JUST WANTED TO LET YOU KNOW ABOUT HOW THINGS ARE GOING TO BE ONCE YOU GROW OLDER. YOU WILL STILL REMAIN TO BE YOUR SILLY, CHEERFUL, CLUMSY SELF. BUT OVER THE YEARS A LOT WILL CHANGE. YOUR THOUGHTS, YOUR BELIEFS, STUFFS YOU LIKE OR STUFFS YOU HATE. YOU WILL START VIEWING EVERYTHING FROM A DIFFERENT POINT OF VIEW. AND AS THE TIME PASSES BY YOU ,YOU WILL START TO BECOME BIZZARE DAY BY DAY,FRIENDS WILL COME AND GO, DIESEASE WILL SPREAD A LOT OF NEGATIVITY AROUND THE WORLD,MILLIONS OF PEOPLE WILL GET SICK AND PASS AWAY.I AM NOT WRITING THIS TO SCARE YOU . I WANT YOU TO PREPARE YOURSELF FOR EVERYTHING THAT IS ABOUT TO COME. THERE WILL BE DAYS, WHEN YOU WOULD WISH THAT EVERYTHING COULD JUST STOP FOR A DAY SO THAT YOU COULD TAKE A REST OR FEEL LIKE ITS HARD CATCHING UP WITH YOUR OWN LIFE BUT YOU WILL SLOWLY GET USED TO IT AND WILL CONTINUE TO GROW STRONGER EVERY DAY. I WANT YOU TO CONTINUE WITH YOUR LIFE THINKING OF EVERYTHING THAT GOES WRONG AS A LEARNING EXPERIENCE, IT'S NEVER TOO LATE TO IMPROVE. IT WILL SURELY BE LITTLE HARD TO COPE UP WITH ALL THE NEGATIVITY, BUT YOU WILL LEARN TO STAY SANE. THERE ARE HAPPY DAYS AND THEN THERE ARE SAD DAYS, BUT HEY! THAT'S JUST LIFE. THINGS WILL BE HARD BUT AS LONG AS YOU SURROUND YOURSELF WITH PEOPLE WHO LOVE AND CARE ABOUT YOU IT WILL BE FINE. THE PEOPLE WHO TRULY CARE ABOUT YOU WILL BE THERE TO SUPPORT YOU WITH EVERY DECISION IN YOUR LIFE, BUT THERE WILL ALSO BE STUFFS YOU WILL HAVE TO FIGURE OUT YOURSELF. DON'T LET THOSE BAD DAYS BRING YOU DOWN AND REMEMBER TO ALWAYS FOLLOW YOUR PASSION. STAY POSITIVE! AND LIVE EVERY MOMENT TO ITS FULLEST.

**BEST REGARDS,
 JASJYOT.**

“मेरी माँ”

मेरी माँ सबसे अच्छी है
 सोने, खाने, लिखने, पढ़ने
 अच्छे कपड़े, खेल खिलौने
 माँ रखती मेरा ख्याल है।
 माँ मुझे करती बहुत प्यार है
 कभी डांटती, कभी मारती
 कभी प्यार से मुझे चूमती,
 दिन भर करती बहुत काम है।
 सबका रखती बहुत ख्याल है।
 मेरी माँ पूरी दुनिया में
 सबसे प्यारी, सबसे अच्छी है।
 माँ मुझे सबसे अच्छी लगती
 है, प्यार बहुत मुझको करती
 है।

DIGITAL ASSEMBLY BY JUNIORS ON “WORLD HEALTH DAY” (7 APRIL)

DIGITAL ASSEMBLY BY JUNIORS ON “WORLD EARTH DAY” (7 APRIL)

It's love to be !!
 It's love to find it out, it's still happy to be lost
 It's love to build airy castles, still love to shatter them away
 It's love to imagine, but still relaxing to be logical
 Because drifting between these two oceans, is purely magical
 When you know it's impossible, but you still build it
 When you know the ship will sink, but you still tilt it
 Imagination is not a feeling, not an emotion, not a sensation
 It's something that can make you fly
 Something that can make you smile
 Something that can make you love
 Something that can drive you alive
