“SPECTRUM”

DIGITAL MONTHLY MAGAZINE – NOVEMBER, 2021

Activity Performed in ATL Lab (1 November)

Message from Administrator

Children are not things to be moulded but are people to be unfolded.”

R.A.N. Public School has always believed in this and to encourage each child's participation, we planned a magazine. Making a magazine is like taking some 'time out' from regular classes and doing something completely different that can really help group dynamics and may also give quieter students a chance to express themselves and shine. It is a project that appeals to students as it allows individuals to work on what interests them.

Our young thinkers were given this opportunity of showcasing their creative thinking and writing skills in the area which interests them like poems, stories, riddles, articles. Our young authors and artists left no stone unturned. They beautifully connected various festivals and celebrations to the values they teach us in life. Their work brought forward the true essence of these Celebrations.

*“My parents are my greatest heroes,
For they help me defeat my foes.
Without them, I wouldn't be here now.
To follow their ways is my vow.
The love and support they give me,
Gives me so much glee.
They always show me that there is hope,
At times when I can't cope.
I'll always love and obey them,
And treasure them like a gem.
I'll always give them praise,
For they put a smile on my face.”*

"Real Truth of Today's Life"

What a beautiful nature God has given us but what we are doing? Just becoming selfish. Yes, we are not taking care of anyone. As God has given such a beautiful nature to us which has given us everything whatever we need in our daily life and what we are giving our nature as a reward or in return? Its answer is Nothing. We are only destroying our beautiful nature. Why? Now a day we also don't give respect to the one who is ready to help us or always help us in our needs. We understand them as a fool and never think about that person why because we don't care about them who help us in our needs. I think only 1% or 2% are left who feel or understand the feelings of other.

"बाल रूप है सब को भाता,
माखन चोर वो कहलाया है,
आला आला गोविंदा आला,
बाल ग्वालों ने शोर मचाया है,
झूम उठे हैं सब खुशी में,
देखो मुरली वाला आया है,
एक हाँथ में बंसी उसके,
एक हाथ चक्र संघार,
मेरा कान्हा बंसी वाला,
सबका पालनहार है ॥

*My sister is my dear.
 She lives always my near.
 I love her so much.
 She takes care of me too
 much.
 We have fun when we
 play. And put all the
 worries away.
 We both are best friends.
 Our affection will never
 end.*

Activity done on Properties of Air (23 Nov)

It was the time of the dawn,
People were taking their yawn.
Birds were chirping all around,
Sprinters were taking a round.
It was a beautiful morning,
& suddenly it started raining.
Since it was the first rain of the season,
So on one has any reason.
People were rushing to keep their things here & there,

But they found the space nowhere.
Black dust from the terrace came on the road,
Melodious song was given by the little toad.
Thunderstorm took everyone's attention,
Giving them a heavy tension.
How will they go to their office,
How children go to school to complete their copies.
The water stand on the lane,
& the guard has to pull the chain.
The driver stop the train,
& also there was no signal for the plane.
The rain stopped after an hour,
Children have to miss the shower.
Everyone again saw the Sun,
After enjoying & gaining a lot of fun.

“Constitution Day” (26 Nov)

“Inter Section Heritage Quiz done by Ranities (28 Nov)

*I am shining star
in the black hole of society
caring to burn myself for spreading light
coz, after all I am a WOMAN with a deity*

*They judge you
even on your sexuality
is it their habit
or them in build mentality
They say a Man does not cries
oh! so now they have different eyes
or is it the symbol of power
sack of judgements makes a tower
They say you can do this or do that
Leave it it's not meant for women
we aren't asking for so called rights but
if you have some humanity left let us live as
human
you are a king of your own dominance
but you are standing in my territory
I am wearing a deserved crown
not shamelessly judging with a veil of hereditary
you think you can judge me and it's all over
let me tell you I don't care
coz neither am I a book and nor do I have a cover*
