Digital Assembly on “World Coconut Day” (2 September)

Message from Administrator

Dear all,
Greetings to you!

We are living in a fast changing world. The pace of change is indeed so fast that almost everything seems to be in transformation mode. Since education cannot exist in isolation, the system needs to take cognizance of these developments. Education all over the world is undergoing a radical shift. Knowledge is no longer constrained by time and space. It has expanded beyond the classrooms and school campuses. Hence, continuous mentoring, monitoring and evaluation of the learning environment need to be done to provide required intellectual stimulation to the young minds. In today's world, how much you know does not matter, application of the acquired knowledge is more important. This is where excellence in present day education lies.

As a premier educational institution, we are known for creating our own benchmarks and elevating ourselves to higher planes. This practice has made our group schools, the centers of excellence. However learning, evolving and effort will never cease.

It also gives me immense pleasure to greet and wish you on this Teacher's Day on behalf of the entire management of RAN Group of Schools.

At RAN, we celebrate Teacher's Day every year because we value you, and deeply appreciate your commitment to teaching and to the children of our institution. Teaching is one of the noblest professions in the world. I personally believe, there is no substitute to quality education because It helps in changing the lives of thousands of individuals and their families forever. More importantly, it is most critical to the growth of a developing nation like India. This is precisely the idea behind our tagline – We build a better nation through quality education.

I wish to take this opportunity to thank you for your invaluable contribution to the institution over the years. Once again, I would like to wish each one of you a Happy Teacher's Day. May God bless you with the strength to achieve greater personal and professional growths in the years to come.

***** May God bless you *****

Happy Teachers Day (5th September)

World's Teachers Day

World Teachers' Day is held annually on 5 October to celebrate all teachers around the globe. It commemorates the anniversary of the adoption of the 1966 ILO/UNESCO Recommendation concerning the Status of Teachers, which sets benchmarks regarding the rights and responsibilities of teachers, and standards for their initial preparation and further education, recruitment, employment, and teaching and learning conditions. The Recommendation concerning the Status of Higher-Education Teaching Personnel was adopted in 1997 to complement the 1966 Recommendation by covering teaching personnel in higher education. World Teachers' Day has been celebrated since 1994.

World Teachers' Day is co-convened in partnership with the International Labour Organization (ILO), UNICEF and Education International (EI).

One and a half years into the COVID-19 crisis, the 2021 World Teachers' Day will focus on the support teachers need to fully contribute to the recovery process under the theme "Teachers at the heart of education recovery".

"MICKEYMOUSE"

Starting from a mouse,
In a big and wide clubhouse..

With two ducks
And a dog 🐶
And a pond with a log ...

With a lot of clues,
Oh Doodles! Oh Doodles!
A helping robot moves...

After every task,
They laugh like a smiley mask 😊...

Hot Dog, Hot Dog 🐶
know that song 🎵
When everyone leaves,
The Clubhouse disappears,
But remains a lot of fog... 🌫️

*A teacher is like Spring,
Who nurtures new green sprouts,
Encourages and leads them,
Whenever they have doubts.*

*A teacher is like Summer,
Whose sunny temperament
Makes studying a pleasure,
Preventing discontent.*

*A teacher is like Fall,
With methods crisp and clear,
Lessons of bright colors
And a happy atmosphere.*

*A teacher is like Winter,
While it's snowing hard outside,
Keeping students comfortable,
As a warm and helpful guide.
Teacher, you do all these things,
With a pleasant attitude;
You're a teacher for all seasons,
And you have my gratitude!*

World Rose Day (22nd September)

दशहरा का तात्पर्य, सदा सत्य की जीत।
गढ़ टूटेगा झूठ का, करें सत्य से प्रीत
सच्चाई की राह पर, लाख बिछे हों
शूल।

बिना रुके चलते रहें, शूल बनेंगे फूल
राम चिरंतन चेतना, राम सनातन सत्या।
रावण वैर विकार है, रावण है दुष्कृत्य
वर्तमान का दशानन, यानी भ्रष्टाचार
दशहरा पर करें, हम इसका संहार ॥

HAVE CONFIDENCE.....

*Have confidence in all you do
The dreams you have, you should pursue.
Believe you can do it
Take action don't quit.*

*Take one day at a time
And up the ladder, you can climb
Believe you can succeed
Don't give up and concede.*

*Sometimes we take one step forward and
two steps back,
But write out your goals and stay on track.
Keep moving forward and you will see
You can do it, so shout with glee.*

*The secret to success you will find
When you believe in yourself, life is kind
Have faith and believe
That you can achieve!*
