Message from Principal

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. More than a decade back RAN pledged to transform education. The school that is being run under the aegis of well-established Management RAN Educational Society” has earned its own niche not only in Rudrapur but across the globe. At RAN we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Converting every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities. While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavor to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life. The parents are the most strengthening power in molding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us. I am confident enough that the RANites will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

***** May God bless you *****

"Trees"

*Trees are usually green and tall
 But the leaves turn yellow when they fall,
 To survive we need to breathe in oxygen
 Trees provide it and some also with medicine,
 They give us food which we eat
 They also help to reduce the amount of heat,
 To several wild animals they are the natural habitat
 Some of them are tiger, cheetah and wild cat,
 But some of the people still cut trees
 It will harm everyone, so stop it, please!*

" देश "

तीन रंग का नहीं वस्त्र,
 ये ध्वज देश की शान है,
 हर भारतीय के दिलों का स्वाभिमान है,
 यही है गंगा, यही है हिमालय,
 यही हिंद की जान है,
 और तीन रंगों में रंगा हुआ
 ये अपना हिंदुस्तान है।

Corona Anthem

*Corona Virus is a
Worldwide scare,
Going out of homes
Don't you dare,
The World is locked
Down in their homes,
Let the virus not be
Spread by someone,
Social distancing is
The only cure,
No medicines or
Vaccines are
Available for sure... 😊*

PARENTS... GIFT OF GOD

Parents are the one who cares well,
Parents are those who are kind I would like to tell,
They treat us without any selfishness,
They just want that their child be very happy in whole life.

You always shed your light upon us,
Like a bright and shining star,
No gift on Earth is greater,
The joy that comes from knowing,
My parents endless love.

If you could look into my heart,
You could see the place that you have in my heart,
How much you mean to me...
If I could write a story,
It could be the greatest ever told.

My mom & dad are my super hero,
In the end I would like to say that...
!! I am glad to have parents like you!!

'प्यारे बच्चे'

बच्चे मन के सच्चे,
दुनिया की आंखों के तारे,
हैं भगवान के प्यारे,
ला बहालाते हैं शिकायतें,
बच्चे मन के सच्चे,
हैं भगवान के प्यारे,
फूलों की तरह मासूम से,
नन्हे से छोटे से हैं प्यारे बच्चे,
हैं सबके दिल के प्यारे,
बच्चे मन के सच्चे,
दुनिया की आंखों के तारे,
हैं भगवान के प्यारे।

रक्षाबंधन

हर सावन में आती राखी, बहना से मिलवाती राखी.....

चाँद सितारों की चमकीली, कलाई को कर जाती राखी.....

जो भूले से भी ना भूले, मनभावन क्षण लाती राखी.....

अटूट प्रेम का भाव धागे से हर घर में बिखराती राखी.....

सारे जग की मूल्यवान चीजों से बढ़कर भाती राखी.....

सदा बहन की रक्षा करना, भाई को बतलाती राखी.....
